

RECYCLING BEN'S MATCH GAME

Directions: Print this page twice. Color and cut out the picture squares. For longer lasting piece, paste the picture squares on a cereal box and cut out.

How to play: Take turns with friends or family members choosing two cards to flip over. If the pictures do not match, return them face down to where they were. If they do match keep them. When all the cards have been matched up, count the number of pairs each player has. The person with the most pairs wins!
